

Follow up seminar:

Thursday December 7, 2006 2:00-3:00 pm CST (recommend K-5)
Friday December 8, 2006 2:00-3:00 pm CST (recommend 6-12)

Sign up on ESA-3 training website: www.sdesa.org, select

1. Region 3
2. Events
3. Library Grants Workshop

You will get a personalized invitation with WebEx login information after December 1.
(If you have registered with the ESA website☺)

Training Challenge

E-mail Julie Erickson at Julie.erickson@state.sd.us how you have incorporated a database in your classes.

These will be compiled and revisited at the follow-up session in December.

Training Super Challenge

All the databases provide usage statistics. Today we talked about SIRS Databases.
Each school has a SIRS number that you can use to request your statistics.

Your SIRS number is: _____

Request your SIRS statistics at: <http://stats.sirs.com/all-report.html>

SIRS Knowledge Source Web Usage Statistics Report

Report Type:	<input type="text" value="Single Customer"/>
Customer/Consortium Number:	<input type="text"/>
Start Date:	Month: <input type="text" value="01"/> Day: <input type="text" value="01"/> Year: <input type="text" value="06"/>
End Date:	Month: <input type="text" value="01"/> Day: <input type="text" value="31"/> Year: <input type="text" value="06"/>
Email Address to Send Report to:	<input type="text"/>
Format:	<input checked="" type="radio"/> Text <input type="radio"/> HTML <input type="radio"/> CSV
<input type="button" value="Submit"/>	

Report type: Single Customer

Customer Number: _____

Start Date: Select time frame you want statistics for

End Date:

E-mail address: enter your e-mail

Format: text is fine

Click submit
